DEAR STUDENTS,

As a leading company in architecture imagination, we are continuously searching for talented, ambitious and motivated people to join our Lausanne team. At the office, interns will support our team on a wide range of projects in different scales.

We are looking for talented and committed interns with at least 6 semester architectural experience. Interns are employed on a full-time basis for a minimum 6-month term. If mutually desirable, the position can be prolonged up to 12 months.

We offer a great working experience in one of the most creative architecture offices. You will learn to collaborate in a working team and the basics of design thinking. You will develop your personal skills and competences backed by strongly trained professionals. At the office you will also learn technical and pragmatic Swiss building method that will serve you after ward during your studies and your professional career. We offer also the opportunity to develop your personal interest and confront it to a group of young talented professionals.

Applicants should possess a strong track-record in design and rich skillset including model-making, Rhino, Revit, and other graphic software such as Adobe Creative Suite. Proficiency in French (or the motivation to learn it quick) is preferred for this position. Applicants from abroad must be eligible for all necessary work permits/visas during their stay in Switzerland. All applications will be considered in the order they are received.

If you are interested in joining our young, motivated, and ambitious team in Lausanne, we look forward to receiving your application. Please send all materials, including CV and work samples (max 5MB) to:
bureau@kunikdemorsier.ch

If you prefer to send your application by postal mail, please use the address below (only printed portfolios can be considered – no CDs, USB sticks or DVDs).

Looking forward to hearing from you!
